Dear Parents and Guardians:

We feel it is important to communicate the academic progress of your child several times a year. We do this by sending home biweekly progress reports and quarterly report cards. The North Carolina School Report Card is an online tool that provides information about our school as a whole.

The State Report Card is issued by the North Carolina Department of Public Instruction for charter schools, traditional schools and alternative schools. We at PreEminent Charter School believe well informed parents can better participate in their children's education.

I would like to highlight some of the outstanding achievements we made this past year.

- We met 100% of the Adequate Yearly Progress (AYP) targets for the year.
- Our math proficiency rates increased 18.8 points.
- Our reading proficiency rates increased 19.6 points.
- Overall student academic performance on the North Carolina State performance composite increased 12.5 points.

In addition to our academic success we are proud of the extracurricular activities we provide to enhance each students educational experience. Some of these offerings include:

- Basketball and Volleyball teams, Cheerleading, Step team and Tae Kwon Do.
- Band, Chorus, Science and Math Club.
- Student government and leadership.
- School newspaper.

We are committed to providing parents with accurate and timely information about our schools performance in accordance with the federal No Child Left Behind Act. Well-informed parents who participate in their children's education enhance the learning environment for students and educators alike.

At PreEminent Charter School, your involvement is very important to the success of our school! I encourage you to review our Report Card carefully, and contact me with any questions or concerns. I can be reached at (919) 235-0511 or email me at [38.mstack@heritageacademies.com](mailto:38.mstack@heritageacademies.com)

Educationally Yours,

Mr. Michael Stack, Principal
